

Mount St Mary's College **Spinkhill, Derbyshire S21 3YL**

**HMC Jesuit Co-educational Boarding and
Day School - 405 Pupils Aged 11-18**

Head of Biology

**Full-time Permanent Position
Required for January 2011**

The successful person will be fully committed to the life of a busy boarding and day school in which all teaching staff offer extra curricular activities - sport, music, drama or other activities beyond their specific subject specialism.

The successful applicant will be empathic and supportive of the College's mission as a Jesuit school, which welcomes pupils of many denominations. They will be a well qualified, inspirational and experienced teacher of Biology with a proven track record, capable of steering this outstanding department. They will provide clear leadership, supporting the departmental team through a positive management style, clear direction and performance management skills. They will demonstrate the drive and vision necessary to further develop the department in the forthcoming years. Biology teaching will include IGCSE, A-Level and Oxbridge entry.

Mount St Mary's College is an equal opportunities employer, committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

This position will be subject to satisfactory outcome of the Criminal Records Bureau checks
