

The Lion, the Witch and the Wardrobe:

Chapter 1-2 Activities

(Try having a go at one or two of the listed activities...)

Activity 1:

See what you can find out about the Evacuation programme during World War II. Why did the Government introduce this policy and who did it involve? You could give a short presentation on the subject.

Activity 2:

The Professor lives in a massive old house. Imagine that you have gone to visit a wealthy old relative for the first time and they too live in a huge house. Describe one unusual room in the house e.g. the Great Hall; the billiard room; the library or a room of your own choosing. Good descriptions could be put on display in your form room.

Activity 3:

Mr. Tumnus mentions Silenus and Bacchus. Find out who these characters were and what they were known for in... which mythology?!

Activity 4:

Imagine you are Mr. Tumnus. Write a diary entry at the end of the day when you met Lucy. Describe what happened, and what your thoughts and feelings are. Good examples could be read out in tutor time or English lessons - and even put on display!
